Dear Student,

EG Tax Service is conducting its annual tax preparation course. The classes will begin mid October and conclude in December. Upon completion of this course, EG Tax Service will offer positions of employment to our successful graduates.

Not only is this an excellent opportunity to gain employment, but students will gain a general understanding of fundamental federal and state tax law, and also receive hands on instruction on how to correctly prepare an individual's tax return.

This course is instructed by our senior accounting staff, and is presented to you in lecture form, with hands on computer software, workbook and homework format. The course will also consist of a midterm and final examination. There is no tuition cost for the course; however, there is a **non-refundable** fee, which covers the tax textbook, workbook, reading materials, software and sales tax. Not only will these materials be used throughout our course, but will also be essential for your continued growth in the tax preparation field.

As the largest tax firm in the Western New York Area, with more than 30 area offices to service our clients, we are looking to grow and expand with you. This is a great career opportunity for all interested candidates. By completing this course you will be part of our continued expansion across the country. We have enclosed a registration form that highlights when classes are available. Please fill out the registration form and indicate your preferred class time and location. Keep in mind that space is limited in these classes, and that we take student registration on a first come first serve basis. In order to secure your place in one of our courses, please fill out, sign your registration form, and send them in with your payment. **The form must be completely filled out, signed & returned to the corporate office listed above along with your payment.** You may also register and pay through our website, at [egtax.com](http://egtax.com). Thanks again for your interest.
